

Special Parent Talk
Help to Keep your Child Safe Online

Harlaw ASG
At Harlaw Academy Wednesday 20th March 7pm – 8.30pm
And
At Broomhill School Thursday 28th March 7pm – 8.30pm

Our children live in the Internet Age. They love to use technology and play the latest games. However, it is not always easy for parents and carers to understand what they are doing and how we can help to do the right things to keep them out of danger.

All schools in the Harlaw ASG will be having a Special Internet Safety Day. The children will learn about going on line and how to keep safe.

It is important that parents are also involved so they are able to help their children when they are at home. We would like to invite you to attend one of two opportunities to hear a special talk. One takes place at Harlaw Academy and the other at Broomhill School.

The talk is being given by Paul Hay, who is a specialist in Internet Safety. He will tell you :

- **How young people use the Internet.**
- **Show how children use programs such as Moshi Monsters, Minecraft, Roblox, Instagram and SnapChat**
- **Describe how information young people post can be misused by people who are not their friends.**
- **Explain what you, as parents, can do to help keep them safe.**

Instagram

Above all it will give you as parents and carers the confidence to help your child get the most benefit and enjoyment from the internet while keeping safe.

Topics will be discussed in language we as parents understand. No technical or computer knowledge is required or expected.

If you would like to book a space on this session, please complete and return the reply slip to the School Office. You are welcome to bring a friend or adult family member with you.
