

COGS

At Kaimhill School it is a priority that all pupils have receive opportunities to express their views and opinions. This year we are revamping our pupil groups, they are now called

COGS – Collecting Opinions to Grow Our School.

Pupils have signed up to sign up to be a member of the following groups:

- Enterprise
- Communication
- Pupil Council
- Eco
- Community
- Health

These groups will be collecting ideas in the upcoming weeks and creating an agenda for the term. Pupil in P4 – P7 classes will be starting this work and buddying up with P1 – P3 pupils to share their work and encourage the younger children to share their views though collaboration.

We will keep you updated on each **COGS** progress so keep an eye out on Twitter and the Kaimhill School website to follow each group's journey.
