

P3 Kaimhill School Classroom

Term 1

2020/21

Important Dates:

September Weekend: Friday 25th & Monday 28th September

End of Term: Friday 9th October

Term 2 Starts: Monday 26th October

Literacy

Writing:

This term, Primary 3 will be writing recounts of stories and their own experiences from everyday life.

Reading:

We are reading daily in differentiated groups, focusing on fiction books and short non-fiction pieces. We are focusing on developing fluency and comprehension.

Listening & Talking:

We will be developing listening and talking skills by sharing our news and presenting some of the children's work in front of the class.

Numeracy

Measurement:

The focus of maths lessons this term is measurement. The children are learning how to correctly use the appropriate measuring instrument and how to estimate and record their measurements.

Rounding:

Primary 3 is practising estimating and learning to round to the nearest centimetre and metre. They will be also using this knowledge to round numbers to the nearest 10 and 100.

Classroom Schedule

Please be prepared for changing weather conditions.

Monday- Emotion Works sessions with Miss Digney.

Tuesday-

Wednesday- PE (with Miss Creighton)– children wear sports trousers and sports shoes

Thursday-

Friday- PE

-Virtual assembly in afternoon.

IDL

In Health & Wellbeing this term, we discussed how the children coped with distance learning and reflected on how we implemented changes in our school and class. We are developing a Growth Mindset, learning strategies to develop resilience and discussing how to handle difficult situations.

Primary 3 enjoys taking their lessons outside as much as possible and enthusiastically engages in learning activities across the whole curriculum, such as Literacy, Numeracy, Health and Wellbeing, PE and Art.

Our class book has been 'The Owl Who Was Afraid of the Dark' and this was the inspiration behind many activities, such as story writing, art and learning about nocturnal animals.
