

Introduction

This is a toolkit to support all Services keep people safe from the risk of COVID-19 whilst working. It is a requirement that Chief Officers will complete all sections where either:

- ✓ a service has been stopped and it is proposed to re-instate; OR
- ✓ there is an anticipated change to the way services are to be delivered during current restrictions

If you have previously completed risk assessments for these services, refer to them when completing this document.

The toolkit is set out as follows

1. Inspection Checklist
2. Risk Assessment
3. Action Plan
4. Comms

Where do you start?

This toolkit is structured to provide a logical thought process to follow where your area of business is changing:

Step 1 – Complete ACC COVID-19 Inspection Checklist

The inspection checklist will ask you to consider:

- Employees, social distancing and the impact of returning to work
- Travel, Access & Egress
- Cleaning and Hygiene Practices
- Building Safety

The completed inspection checklist will allow you to identify gaps where additional measures may be required.

Step 2 – Use the findings from your completed inspection form to complete the ACC COVID-19 Risk Assessment

The risk assessment is setup with the same four topics as the inspection form but delves into more detail on how you intend to mitigate the risk of each identified hazard. The information contained within this document is generic and you should tailor the document to be relevant to your service area and take into consideration any specific advice given. We've created a resource list that will allow you to quickly find the information you need from the relevant source.

Step 3 – Action Plan

Completing the inspection checklist and risk assessment will provide you with a list of different measures that you now need to implement. Now is the time to evaluate the practicality of implementing each measure and to determine how you will take the necessary steps to ensure they're in place.

Step 4 – Communication

Communication is key and there's a lot of change that your staff need to digest and consider before any change to service provision is implemented. Continuous communication throughout this process will demonstrate that you are putting staff safety at the heart of this process. You must communicate the risks and controls within your risk assessment directly to your staff and ensure that they understand exactly what is required from them and you.

Step 5 – Review

The information around COVID-19 changes on a frequent basis. The Corporate Health and Safety Team reviews H&S guidance daily and updates the [Stay Safe Whilst Working](#) pages on the Zone. You will need to monitor this plus consider the latest advice and guidance which could impact your business area. The [Scottish Government](#) pages will provide you with the latest links as well as [Health Protection Scotland](#) and [NHS](#).

Below are some useful UK Government links that can be monitored for the latest information.

[Guidance on Social Distancing in the Workplace](#)

[Guidance for Employers & Businesses on COVID-19](#)

[Guidance on Shielding and Protecting Extremely Vulnerable Persons](#)

[Guidance on Protective Measures in Education and Childcare Settings](#)

COVID-19 Health & Safety Inspection Checklist

The current COVID-19 ‘coronavirus’ outbreak poses a serious risk to individuals and businesses. This inspection checklist assists in identifying the control measures to consider reducing the risk of workplace infections and as part of a proactive monitoring regime and checking that preventative and protective control measures are implemented in line with current health and safety general duties.

Service area: ICFS
Site Address: Kaimhill School
Service manager: Chief Education Officer
Inspection Undertaken by: Head Teacher
Approved by: H&S Adviser

Findings of Inspection
Level of compliance should be included in report using a Rag Rating - Green – Full compliance (no action required), Amber - breach identified (remedial action recommended), Red – significant breach (action required)

A: Employees – Consider what impact returning to work would have on your employees and how to keep your employees safe.				
No	Issues	Y/N/NA	Rating R/A/G	Comments
1.	Has a risk assessment been undertaken for those who have a self-declared health condition which could increase their risk profile.	Y	Green	A template for an individual worker’s risk assessment is provided at the end of this document. All staff have undertaken covid-age assessment – actions identified as required. A review of individual risk assessments will be undertaken for any shielding staff on 05 01 21 - two-week fit note issued from Chief Medical Officer where applicable. Parents and carers of children who are on shielding list should gain clinical advice on the suitability of in-school attendance for their children. Changes in staff circumstances will be captured/COVID-19 age risk assessment re-visited where required by 260421
2.	Have you engaged with Trade Unions and staff during the reinstatement of the work process and in the drafting of this risk assessment to consider work processes and required controls?	Y	Green	Risk assessment shared with TUs and in line with SG guidance and been consulted with staff at school. Updated risk assessment shared with staff and TU reps – 260421

3.	Are you tracking people who have been identified as high risk/are shielding.	Y	Green	<p>Employees will record absence within CoreHR. The risk assessment should be circulated to all staff and a copy shared with the school QIM and school TU reps. Review of RA for staff and pupils on shielding list to ensure all appropriate protection are in place for their safe return.</p>
4.	Where practicable will staff still be allowed to work from home/remotely.	Y	Green	<p>Ongoing review with individual members of staff and in response to staff questionnaire. Staff who are not working directly with children will continue to work from home / remotely. Dyslexia Outreach Service staff will be based at Kaimhill School. (Unless critical to support wellbeing and certification) All staff are encouraged to take NCCT at home, and almost all do. CORE HR updated daily as required.</p>
5.	<p>Can all staff maintain the Scottish Government guidelines for social distancing based on your industry (The latest Social Distancing Guidelines available here). These could include but are not limited to the following:</p> <p>ELC/OOSC – Access to more than one ELC/OSC setting per day subject to R.A and agreement</p> <p>HWB - Allied Health, Social Work and Peripatetic staff etc can attend one school per day where possible and only where risk to pupil wellbeing is high. Digital delivery supported, where possible. Careful consideration to use of space to minimise contacts.</p> <p>PARTNERS - (Sport Aberdeen, Active Schools etc) – working in no more than two schools per week when working indoors. Working in no more than one school per day when working outdoors.</p>	Y	Green	<p>Staff can only attend 1 school per day/2 schools per week (including students and supply staff.</p> <p>2 m distancing should be maintained between staff, other adults, and between staff and pupils. Classrooms are arranged so that staff can maintain 2 m distancing (e.g. staff workstation 2m from nearest pupil desks). Teacher / staff workstations will be wiped down between each use by different individuals, hand washing facilities / hand sanitiser available.</p> <p>ELC will not socially distance from children, however as per Scottish Government Guidance they will maintain 2m distance from each other and parents.</p> <p>Pupils assigned to learn within class groups (where possible) for the duration of the school day to avoid large gatherings / groups and spaces / areas becoming crowded.</p> <p>However, this may be compromised by needs of individual pupils. A different arrangement is in place for a group of pupils with specific needs. For example, an area designated in classrooms / teaching areas if 1-2-1 support needed.</p> <p>PPE provided for any members of staff who require to come into close contact (within 2 m of a pupil (e.g. for additional support needs, first aid, etc.).</p> <p>Staffroom to be altered and numbers limited (12) to take account of social distancing. Staff will need to bring their own food and drinks. Staff may go home for lunch and remain offsite for the duration of the lunchbreak, as opposed to a café. Staff are encouraged only to eat at home and undertake the usual hand sanitising requirements on entry to the building.</p> <p>A safe space has been identified in the Rainbow Room for individual pupils to access if Person Centred Risk Assessment (PCRA) process shows this is needed.</p>

5a	Are you able to segregate staff's activities to promote 2 metres distance?	Y	Amber	<p>2 m distancing should be maintained between staff, other adults, and between staff and pupils. Admin staff / office and resource areas (e.g. photocopiers), and classrooms are arranged so that staff can maintain 2 m distancing (e.g. staff workstation 2m from nearest pupil desks). Teacher / staff workstations will be wiped down between each use by different individuals. hand washing facilities / hand sanitiser available.</p> <p>Staff will wear a fluid resistant face covering if the need arises to be within 2 meters of pupils i.e. supporting individual pupils with learning tasks, working with groups for front-of-class teacher input.</p> <p><u>Staff should not breach the 2m rule with each other at any time.</u></p> <p>Pupils assigned to learn within specific classes (where possible) for the duration of the school day to avoid large gatherings / groups and spaces / areas becoming crowded.</p> <p>However, this may be compromised by needs of individual pupils. A different arrangement is in place for a Targeted Support group of pupils with specific needs. For example, an area designated in Rainbow Room / classrooms / teaching areas if 1-2-1 support needed.</p> <p>PPE provided for any members of staff who require to come into close contact (within 2 m of a pupil (e.g. for additional support needs, first aid, etc.).</p> <p>Staffroom has been altered and numbers limited to take account of social distancing. Staff bring their own food and drinks. A safe space has been identified in the Rainbow Room for individual pupils to access where PCRA process shows this is needed.</p>
----	--	---	-------	--

5b	Are you able to limit the amount of contact staff have with each other to 15 minutes or less	Y	Green	<p>2 m distancing should be maintained between staff, other adults, and between staff and pupils. Admin staff / office and resource areas (e.g. photocopiers), and classrooms are arranged so that staff can maintain 2 m distancing (e.g. staff workstation 2m from nearest pupil desks). Teacher / staff workstations will be wiped down between each use by different individuals hand washing facilities / hand sanitiser available.</p> <p>Pupils assigned to learn within specific groups (where possible) for the duration of the school day to avoid large gatherings / groups and spaces / areas becoming crowded.</p> <p>However, this may be compromised by needs of individual pupils. A different arrangement is in place for a Targeted Support group of pupils with specific needs. For example, an area designated in classrooms / teaching areas if 1-2-1 support needed</p> <p>PPE provided for any members of staff who require to come into close contact (within 2 m of a pupil for (e.g. for additional support needs, first aid, etc.). All staff are wear a fluid resistant face covering in the dining hall.</p> <p>Staffroom is limited to 12 members of staff at any one time to take account of social distancing. Staff will need to bring their own food and drinks. Two members of staff will be permitted in the kitchen area of staffroom. Staff lunchbreak is 45 minutes. Where staff choose to spend time in the staff room clear sanitisation and social distancing measures are in place. Staggered breaks support staffroom capacity.</p>
5c	Are you able to implement a one way flow system and provide visual aids (e.g. distancing markers, signage, flow system markers) for maintaining two metres distance.	Y	Green	<p>Following careful consideration of our Kaimhill building a 'Keep Left' approach will be maintained at all times. Signage throughout the school provides visual reminders. Children have been inducted in this approach. All pupils and staff have been briefed on this, and there was an induction process at the start of each day a new group of pupils commenced the new term in school (August 2020).</p>
6.	Have staff been trained / notified before returning to work on any new procedures.	Y	Green	<p>One way systems – to ensure social distancing between staff, staff / pupils, etc. Keeping to the left when moving around corridors and stairs.</p> <p>Training to be completed by all staff on Monday 10th August 2020. Training to be completed by all staff before opening on 12th August – HT has created a training checklist accessible on Kaimhill School G:Drive for all staff to undertake relevant training. Dates identified for SLT- led training.</p> <p>Handwashing, PPE, Social Distancing</p> <p>Student protocol developed to support student placements in school (starting Term 2- 26/10/20).</p> <p>Student protocol to support student placements in school (T4 – w/b 19/04/21)</p>
7.	Have staff been instructed on how to hand wash effectively, for the suggested duration and maintain good hygiene practices.	Y	Green	<p>As above</p> <p>Signage is available at all hand wash stations.</p> <p>All staff reminded about the requirement to wash hands on entry to and exit of the school building.</p>

8.	Have staff been instructed on social distancing where practicable while at work.	Y	Green	<p>2 m distancing should be maintained between staff, other adults, and between staff and pupils. Admin staff / office and resource areas (e.g. photocopiers), and classrooms are arranged so that staff can maintain 2 m distancing (e.g. staff workstation 2m from nearest pupil desks). Teacher / staff workstations are wiped down between each use by different individuals. Hand washing facilities / hand sanitiser available.</p> <p>Pupils assigned to learn within specific groups (where possible) for the duration of the school day to avoid large gatherings / groups and spaces / areas becoming crowded.</p> <p>However, this may be compromised by needs of individual pupils. A different arrangement is in place for a Targeted Support group of pupils with specific needs. For example, an area designated in classrooms / teaching areas if 1-2-1 support needed. Individual Risk Assessments to be created for Nursery children who require these. A desk placed outside each classroom or learning space will support the delivery of 1-2-1/small group interventions for (individual) pupils. The following must be undertaken for each support session.</p> <ul style="list-style-type: none"> • Staff member will wash hands before and after input with individual pupils • Face covering MUST be worn at all times by staff member • Tables and chairs will be sanitised before and after each use • No sharing of intervention resources between pupils and safely stored between uses. <p>PPE provided for any members of staff who require to come into close contact (within 2 m of a pupil (e.g. provision of essential support, first aid, etc.).</p> <p>Staffroom is in use, physically altered and numbers limited to take account of social distancing. Staff bring their own food and drinks.</p> <p>Additional signage added around school to assist with social distancing.</p>
9.	Have staff been trained on what to do if they are experiencing COVID-19 symptoms.	Y	Green	<p>Staff will be advised not to come to work for 14 days if experiencing Covid-type symptoms. They should self-isolate and arrange a Covid test as soon as possible. Updated guidance issued to all staff teams on Monday 10th August 2020.</p> <p>All staff reminded about the requirement to wash hands on entry/exit of the school building and FACTS.</p> <p>Ongoing, updated advice provided from Public Health, NHS and ACC.</p>

			<p>LATERAL FLOW TESTING</p> <ul style="list-style-type: none"> • DHT will oversee distribution and logging of lateral flow testing kits. • Covid Coordinator: Mrs Diane Rough • Registration Assistant: Miss Amanda Rae • All staff working on site will be offered the opportunity to participate in Covid Lateral Flow Testing programme. • Staff must give informed consent (via Google Form) issued before test kits are provided. • DHT will log test kits received and issued to staff. • Bulk supplies of Lateral Flow Test kits will be stored in the Server Cupboard opposite the School Office. These will not be accessible to other staff/pupils etc. • Staff will observe good hygiene when handling test kits. Appropriate PPE (fluid resistant masks and gloves) will be worn. • Supplies of Lateral Flow Test kits being distributed on a given day will be stored in a cupboard within the DHT office. These will not be accessible to other staff/pupils etc. • Lateral Flow Test kits will be distributed from the DHT office on the allocated day for staff to collect. • Staff will collect kits on identified day and will maintain 2m distance from other members of staff. • Staff distributing kits observe good hygiene when handling test kits. Appropriate PPE (fluid resistant masks and gloves) will be worn. • Staff collecting their kit must wear fluid resistant masks. • Staff will be provided with information on how to carry out the tests as provided by NHS Test & Protect. These tests should be carried out at home on Wednesdays and Sundays. • It will be reinforced to staff that this is asymptomatic testing only. Staff with symptoms must book a Covid test if these occur. • It will be reinforced to staff that measures put in place to reduce transmission must still be adhered to even with negative results on Lateral Flow testing. • Staff will be made aware that they must log results. If a positive result is shown they must log, inform a member of SLT and book a Covid test.
--	--	--	---

10.	Have staff been instructed to minimise business related travel and use video chat as an alternative method of maintaining contact with colleagues, suppliers and customers.	Y	Green	Staff have been advised to avoid public transport if possible. If using public transport, social distancing should be observed, along with the wearing of a face covering. Staff have been advised not to car share. Where at all possible, staff will continue to work from home. Add travel to risk assessment SLT/MAMs meeting using Teams – and with central officers. Strict limitations on staff movement between schools – all staff follow ACC Route Map – Issue 6.
-----	---	---	-------	--

B: Travel, Access & Egress – Consider how your employees will travel to work, travel for work, access and exit work safely.

No	Issues	Y/N/NA	Rating R/A/G	Comments
1.	Are you able to implement sufficient parking restrictions to maintain social distancing measures, where car use is required to perform a role?	Y	Green	Schools to adopt car park protocol (e.g. all reverse parking to limit exiting cars at same time and to aid social distancing). For example, specifying who can use parking areas, information to users, signage, etc. as necessary to remind users of car park to maintain social distancing. Staff using the Kaimhill Staff carpark must leave a parking bay in between parked cars, where possible.
2.	Are workers required to use their own vehicle to travel to their task?	Y	Green	Kaimhill School has an existing car park protocol that all reverse park to limit exiting cars at same time. Wherever possible private transport is used to maintain isolation from the public when commuting to the school. Staff should not be moving between schools, meetings to be done remotely where possible.
3.	Are workers avoiding public transport where applicable and using alternatives (e.g. cycling, walking to work etc).	Y	Green	Wherever possible private transport is used to maintain isolation from the public when commuting to the school. Where possible and if public transport cannot be avoided, the employee is encouraged to follow current government advice in respect of “face coverings”.
4.	Have you considered staff that are required to vehicle share for their role and whether this could continue?	Y	Green	N/A at Kaimhill School
5.	Has the entry and exits to the building/site been limited to the minimum number of points required.	N/A	Green	School car park will be the only be available for staff. Parent / pupil vehicles will not be allowed to enter the car park, unless a pupil has a disability. (site specific). More entry/exit points are being used at Kaimhill School to promote social distancing between adults, and adults and children. Signage displayed at all entry points re social distancing requirements. 16 04 2021 – Parents/carers reminded about strictly no access to the school car park and turning circle. Parents/carers instructed NOT to congregate on school grounds or at entry/exit points as per First Minister request 160221.

6.	Has access to the building/site been restricted to visitors and contractors etc.	Y	Green	<p>Essential personnel will be admitted by prior arrangement only/ appointment only – all protocols to be observed. Emergency contractors, as above and with reference to 3Rs protocols at Kaimhill School. Protocol for procedures for repairs and maintenance work in 3Rs schools 14th September 2020 will be adhered to. Daily communication between RFM janitor and HT.</p> <p>For ongoing planned construction works Robertson’s Facilities Management (RFM) will work with contractors to ensure appropriate mitigation is in place such as sites physically separated from rest of building and contractors use separate entrances etc.</p> <p>Other essential visitors will only be admitted where the impact of non-attendance would cause further harm (e.g. essential maintenance contractors, Educational Psychologist) The HT will strictly adhere to ACC Route Map (10/09/20 and subsequent updates) when other visitors require to be admitted to the school. Kaimhill School R.A. will be shared prior to visit and a protocol provided for duration of time on site.</p> <p>The school gates will be locked promptly following pupils’ entry to the playground at the start of each day by the school caretaker.</p> <p>Following ACC Route Map (21.4.21 – Issue 6) supply teachers can be deployed – HT will liaise and plan with colleagues.</p> <p>Digital sign-in for all school staff and visitors.</p>
7.	Is it practicable to confine visitors to strictly defined areas and avoid unnecessary movements around the building?	Y	Green	<p>Parents do not to enter the building. If they need to speak to a member of school staff, they telephone or email in the normal way. All visitors to arrange appointments with office staff. Sign in/out is digital and contact details are stored for 4 weeks for Test and Protect purposes and to reduce risk of virus transmission.</p> <p>Where it is essential that a visitor attend the school, such as a parent / carer collecting an unwell child, the parent will not be admitted to the school foyer and can collect their child from the school front door. Signage will be displayed at school visitor entrances to explain that visitors are not permitted, and a telephone number will be provided for visitors to contact a member of office staff within the building should they wish to speak with someone or have an appointment to visit the school.</p> <p>Where safeguarding support is required from police/social work colleagues, the community wing is accessed and RFM staff support cleaning measures.</p> <p>If a visitor has an appointment to access the building, they will be asked first to confirm that they are not displaying COVID-19 symptoms. Those displaying symptoms will not be permitted access. Where possible, visitors permitted access will remain within the reception area of the school and speak with the relevant member(s) of staff via the School Office window.</p>

8.	Have appropriate hand wash stations (toilets) and/or hand sanitiser pump action containers been made available in every work area and on main travel routes through the building/site including access and egress areas.	Y	Green	Procurement of Hand Sanitiser and Cleaning materials continues to support the Kaimhill Return to School Plan. This plan states that hand sanitiser stations will be available at each usable entrance point to the building as there is no immediate access to soap and water in these areas. Stocks are checked and recorded daily by a designated PSA (PPE coordinator). This is undertaken by a designated EYP in the nursery setting. Appropriate areas for stations have also been identified on the main travel routes throughout the school.
9.	Is advisory hand washing signage displayed throughout the building/site, especially at entrances and exits and where people congregate.	Y	Green	Children and staff are reminded to wash their hands with soap and water for at least 20 seconds, or use an alcohol hand sanitiser (not ELC – Nov 2020) when entering the building, before eating or handling food, after blowing their nose, sneezing or coughing, and after going to the toilet. Children and staff are reminded to avoid touching their eyes, nose or mouth, especially with unwashed hands. Posters and signage are displayed around the school to remind everyone of the need for regular handwashing. All staff support children to understand the importance of closely following these routines as part of ongoing safety in school, and younger children are supervised to support their engagement with these essential hygiene practices. All signage is in line with up-to-date Scottish Government guidance. All outdoor signage to be refreshed.
10.	Are the signs displayed reviewed and replaced as necessary?	Y	Amber	Weekly check to be added to risk assessment for signage. Janitors to replace signage where necessary – Kaimhill School caretaker will be supported by SLT and PPE coordinator in this task. Ongoing update of signage – replace as required due to wear and tear. Face coverings signage introduced for parents/carers.
C: Cleaning Regime – Consider what cleaning and hygiene measures need to be implemented to reduce the risk of individuals contracting the virus on your premises / site.				
No	Issues	Y/N/NA	Rating R/A/G	Comments
1.	Have you completed a clean of the property / site before returning	Y	Green	Most schools, other than those which were used for Keyworker Childcare or Vulnerable Learner Hubs, have laid empty since 23 March. Kaimhill School will undergo a 'deep clean' on the weeks commencing 22 nd and 29 th June 2020. Cleaning has been undertaken to ensure the building was fit for small groups of staff to return and a further deep clean will be undertaken prior to pupils return on 12 th August.

2	Is the ongoing cleaning frequency sufficient and is cleaning required and can cleaning be undertaken when site/building/premises is occupied?	Y	Green	Daily cleaning will be undertaken by RFM Cleaning Services, supplemented by the Kaimhill caretaker undertaking regular cleaning of frequent hand touch points during the school day. All surface cleaning will be undertaken using EN14476 rated (for destroying enveloped viruses) disinfecting solutions. Copy of janitorial cleaning schedule shared with SLT, and all staff. Enhanced cleaning in place by RFM from 26/10/20 – additional 3 hours 11.00am-2.00pm. Recording undertaken by RFM and school office staff.
3.	Are all hand contact points cleaned on a frequent basis including, door furniture, handrails, IT equipment, desks, phones, flush plates, taps, dispensers, toilets, canteen / food preparation areas.	Y	Green	In addition to the answer in 2 above, discussion is ongoing at the School Readiness for Reopening Group to determine who will clean IT equipment, toys and other resources. Items which cannot be effectively disinfected between uses will be temporarily taken out of use. Appropriate cleaning materials are provided within the staffroom to assist staff with sanitising touchpoints after individual use. Enhanced touchpoint cleaning in place by RFM from 26/10/20 – additional 3 hours 11.00am-2.00pm. This includes overspill areas.
4	Have persons undertaking the cleaning been instructed with clear safe usage instructions.	Y	Green	All RFM staff are trained in the safe methods of work for activity within their service areas. COVID-19 specific risk assessments have been completed and shared with all Kaimhill School staff. Supplementary service specific FAQ's have also been prepared and shared with staff upon their return to work.
5	Can where practical curtains and blinds be removed to minimise the areas where viruses can be difficult or time consuming to remove.	Y	Green	The class teacher is the only member of staff permitted to touch and sanitise the roller blinds in each learning and teaching area. This applies to nominated members of staff in the staff room, nursery setting and SLT/school offices.
6	Can blinds be kept opened and locked if they cannot be removed.	N/A	Green	As above
7	Can rugs and mats be removed where safe to do so to make cleaning and disinfection of floors easier.	Y	Green	All rugs and mats have been removed and stored in a locked area until it is safe for them to be replaced.
8	Have staff been provided with appropriate cleaning products so that they can frequently clean their own work stations during the day.	Y	Green	Products to be ordered by individual schools through PPE order form. A PPE coordinator has appointed to support this process with daily risk assessment tasks outlined. Facilities Management to assist in storing and replenishing appropriate cleaning materials. All staff continue to wipe down any equipment after use to mitigate risk. All staff ensure touchpoint cleaning of toasters, kettles etc is undertaken. Signage displayed re requirement of touchpoint cleaning.

D: Building Safety – Responsible Person Checks – Consider how you ensure your building remains safe for all employees and visitors.

Guidance on a suitable inspection can be [found here](#).

No	Issues	Y/N/NA	Rating R/A/G	Comments
	Has your responsible person carried out checks on your building in the following areas:			

1.	Fire Safety Systems / Emergency Lighting.	Y	Green	RFM confirmed to Susie Webster (HT) all checks up to date – w/b150620 and ongoing. Prior to this staff access to building restricted to daytime hours only, max 4 people for no more than 2 hours each day, and only for specific recovery planning purposes. Sprinkler systems testing – 08/01/21
2.	Ventilation / Humidity / Lighting & Heating.	Y	Green	RFM confirmed to Susie Webster (HT) all checks up to date – w/b150620. Prior to this staff access to building restricted to daytime hours only, max 4 people for no more than 2 hours each day, and only for specific recovery planning purposes. Daily communication between HT and RFM janitor re windows, thermal comfort and ventilation. Ventilation – ACC Flow chart developed, shared with all staff (271020) and followed to support thermal comfort. Provided to all returning P1-P3 teachers and PSAs, then P4-P7 teachers after second lockdown. CO2 monitors and guidance has been issued to all schools.
3.	Gas Installations.	Y	Green	RFM confirmed to Susie Webster (HT) all checks up to date – w/b150620 and ongoing. Prior to this staff access to building restricted to daytime hours only, max 4 people for no more than 2 hours each day, and only for specific recovery planning purposes.
4.	Legionella Controls.	Y	Green	RFM confirmed to Susie Webster (HT) all checks up to date – w/b150620 and ongoing. Prior to this staff access to building restricted to daytime hours only, max 4 people for no more than 2 hours each day, and only for specific recovery planning purposes.
5.	Routine Inspections e.g. Local Exhaust Ventilation, Lifting Equipment and Pressure Systems and Equipment Maintenance.	Y	Green	RFM confirmed to Susie Webster (HT) all checks up to date – w/b150620 and ongoing. Prior to this staff access to building restricted to daytime hours only, max 4 people for no more than 2 hours each day, and only for specific recovery planning purposes.

Signed: **Susie Webster**

Date: **26th April 2021**

COVID-19 Health & Safety Risk Assessment

HAZARD	AT RISK	CONTROL MEASURES	PROBABILITY WORST CASE OUTCOME

		<p>of remote technology (digital/virtual meetings) methods, meetings in outdoor settings (where possible) to support children should be used initially. ACC route map (issue 6) followed where a visit is risk assessed as critical from another service/professional.</p> <p>Staff activities are segregated to promote 2 meters distance. For example, staff will continue to meet digitally for staff meetings, where possible.</p> <p>A keep left system is implemented and visual aids, such as floor strips, signage in place for maintaining two meters distance.</p> <p>Desks/workstations are arranged to maintain a minimum of 2 meters from pupils, with staff facing in opposite directions where possible (e.g. Teachers workstation in class, school office).</p> <p>Through orientation and ongoing reminders staff will maintain 2m distancing between other adults and pupils.</p> <p>Physical contact will be minimised and only take place where a risk assessment has been completed and appropriate PPE arrangements in place (Education PPE Guidance to be followed). Safe spaces have been identified in the Rainbow Room. This is a familiar space for our vulnerable pupils with a Person-Centred-Risk-Assessment, who will require support. Consideration has been made around the groupings to facilitate safe support for individual pupils. Reconfiguration of furniture in these spaces has been carefully planned and measured to support safe social distancing.</p> <p>Emergency evacuation procedures/ fire drill & muster point updated and shared with employees / service users prior to or on day of entry.</p>						

HAZARD	AT RISK	CONTROL MEASURES	PROBABILITY WORST CASE OUTCOME					
Consider: premises work, equipment, specific tasks etc.	People at risk	Control By: guards, training, supervision, safety equipment, safe working procedures, hygiene monitoring etc.	EXISTING/ PROPOSED 'E' or 'P'	Possible Outcome	Likelihood	Risk rating: High Medium Low	Proposed Timescale	Action Completed Date/Initial
		<p>Minimise contact with surfaces, e.g. tables, furniture and where there is reason for multiple use, items should be wiped prior to and following use. Signage reminds staff to clean touchpoints after use.</p> <p>Items that come into contact with your mouth such as cups & bottles will not be shared.</p> <p>Individual learners will be provided with one use resource where practical and where not, these will be wiped down as per class cleaning schedule. The sharing of resources between children during a learning activity will be kept to a minimum in order to limit the potential for transmission. All pupils will be provided with their own learning tools which will be kept in their tote trays. These will comprise items such as individual whiteboard & marker, pencil, rubber, sharpener, ruler, pens and pencils, and a range of other age and stage appropriate learning tools. These items will not be shared and will only be used by that pupil.</p> <p>Social / activity gatherings amongst pupils have been restricted so that spaces / areas do not become crowded by limiting the size of pupil groups for the duration of the school day. Large group activities such as assemblies will not take place.</p> <p>The outdoor areas will be used regularly, where possible, to support social distancing and staff will plan for this. PE can be undertaken indoors where R.A. exist which reflects current S.G. advice (2/11/20). <i>All PE will continue to be undertaken outdoors with 2m distancing maintained where possible. Children can participate in contact and non-contact activities – both indoors and outdoors. Continue to follow advice issued by S.G. – v.7 021120.</i></p> <p>Outdoor learning will continue to be a feature of the in-school curricular offer.</p>						

HAZARD	AT RISK	CONTROL MEASURES	PROBABILITY WORST CASE OUTCOME					
Consider: premises work, equipment, specific tasks etc.	People at risk	Control By: guards, training, supervision, safety equipment, safe working procedures, hygiene monitoring etc.	EXISTING/ PROPOSED 'E' or 'P'	Possible Outcome	Likelihood	Risk rating: High Medium Low	Proposed Timescale	Action Completed Date/Initial
		<p><u>P7/S1 Transition</u> Transition events will be undertaken virtually at protection level 3.</p> <p>Numbers of employees/service users in a room will be restricted to comply with capacity figures of each individual room. This is detailed in the Kaimhill School Recovery Notebook (accessible to SKT, RFM and ACC senior and support officers i.e. QIM)</p> <p>All staff to monitor practice and alert SLT of any potential risks. This will trigger a review of this risk assessment</p> <p>The HT should be notified immediately should a member of staff, pupil or parent refuse to comply with ACC risk assessment. Appropriate action with be undertaken.</p> <p>The number of learners and staff within each area is limited by social distancing requirements (2metres). Current numbers, reflecting up-to-date Scottish guidance numbers and arrangements are detailed in the Kaimhill School Recovery Notebook (accessible to SLT, RFM and ACC senior and support officers i.e. QIM/QIO)</p> <p>To minimise the number of children and young people with whom a member of staff comes into contact, the 2m distancing rule is applied whenever possible. It may be necessary to breach the 2m distancing rule. For example, to support a child in managing their behaviour or to support the learning of a small group. If the 2m distancing is likely to be breached within a class or learning space, staff must wear a fluid resistant face mask.</p> <p>Learners requiring support may be extracted from classes by PSAs/SfL staff and this will be given careful consideration.</p>

Cover can be provided by SfL, Dyslexia Outreach or SLT staff. <p>Pupils</p> <ul style="list-style-type: none"> 2 Isolation areas within the building have been identified in case of any individuals who present as unwell during the session (refer to Kaimhill School notebook) Emergency contact list accessible and up to date (SEEMiS) Request for immediate collection by parents/carers (Office Staff) On collection, immediately leave the building and go directly home (Parents will not be admitted to the building for pick up) RFM informed and deep clean carried out. 						
Cleaning and hygiene measures								
Environmental Cleaning	Staff, pupils, visitors (agreed only in advance)	<p>A deep clean of the property / site before returning is performed if required. RFM protocols shared with Kaimhill SLT.</p> <p>Where there has been a COVID-19 case, the cleaning regime will be in accordance with strict rules outlined in COVID-19-decontamination-in-non-healthcare-settings.</p>	E	Moderate	Possible	Low	w/b 22 nd and 29 th June 2020 August 2020	11 th August 2020 – SW 041120 – SW 050121 – SW 170221 – SW 260421 - SW
Cleaning Frequency	Staff, pupils, visitors (agreed only in advance)	<p>The ongoing cleaning frequency is made sufficient enough such that cleaning can be undertaken daily and supplementary sanitisation by janitorial staff when site/building/premises is occupied. RFM protocols shared with Kaimhill SLT.</p> <p>Toilets and washrooms will be cleaned daily by RFM cleaning staff to maintain high standards of cleanliness, using methods and</p>	E	Moderate	Possible	Medium	In place from 11th August and ongoing	11 th August 2020 – SW 041120 – SW 050121 – SW

HAZARD	AT RISK	CONTROL MEASURES	PROBABILITY WORST CASE OUTCOME					
			EXISTING/ PROPOSED 'E' or 'P'	Possible Outcome	Likelihood	Risk rating: High Medium Low	Proposed Timescale	Action Completed Date/Initial
Consider: premises work, equipment, specific tasks etc.	People at risk	Control By: guards, training, supervision, safety equipment, safe working procedures, hygiene monitoring etc.						
		cleaning products in keeping with national guidance (COVID-19- decontamination-in-non-healthcare-settings). Additional 3 hours of cleaning provided daily by RFM from 261020						170221 – SW 260421 - SW
Commonly touched surfaces	Staff, pupils, visitors (agreed only in advance)	Additional sanitisation of taps and flush handles will be undertaken by RFM janitorial services on a regular basis during the school day. All other areas will be cleaned by cleaning staff before the start of every day, paying special attention to door handles, table/counter tops, bannisters, and other areas touched regularly by staff and children, with additional cleaning during the day. Additional 3 hours of cleaning provided daily by RFM from 261020 Sanitising spray/wipes will be available in each area of Kaimhill School being utilised to ensure cleaning and disinfection of frequently touched objects and surfaces (e.g. telephones, keyboards, door handles, desks, tables). This should be undertaken by staff on duty or service users if appropriate, and includes communal areas such as the staffroom. Where practical, soft furnishings are removed to minimise the areas where viruses can be difficult or time consuming to remove. These are stored in labelled bags in the sensory room, including floor rugs/mats, which will remain locked - no access for staff or pupils. Blinds kept opened and locked if they cannot be removed. Rugs and mats are removed where safe to do so to make cleaning and disinfection of floors easier. Appropriate cleaning products are used during daily preventative clean regime.	E	Moderate	Possible	Medium	In place from 11th August and ongoing	11 th August 2020 – SW 041120 – SW 050121 – SW 170221 – SW 260421 - SW

		The relevant Safety Data Sheet and COSHH assessment is provided for the substances in use. (Early Years / RFM staff) Correct PPE is provided for the use of cleaning materials.						
Housekeeping	Staff	Appropriate cleaning products are provided, so that staff can frequently clean/sanitise their workstations during the day. All school staff will be provided with a supply of sanitising spray/wipes to undertake cleaning of resources, toys and any other items which may be used by more than one individual and to enable effective sanitation of items between uses. Some resources, such as fabric resources which cannot be easily cleaned between uses, will not be used for in-school learning at Kaimhill. Resources which are not being used will be removed from classrooms to aid this process. Staff will be guided to carefully consider an appropriate provision of resources for in-school learning. Staff will arrange for the appropriate quarantine of resources not easily cleaned. Staff and pupils provided with waste bins lined with a plastic bag so that they can be emptied by facilities staff without contacting the contents. RFM Staff are instructed that the emptying of bins and wastepaper baskets should be followed by hand washing. Consider: premises work, equipment, specific tasks etc.	People at risk	Control By: guards, training, supervision, safety equipment, safe working procedures, hygiene monitoring etc.						
Routine Inspections e.g. Local Exhaust Ventilation, Lifting Equipment and Pressure Systems and Equipment Maintenance - Responsible person has carried out checks on your building in the below areas. Guidance on this topic can be accessed here								
Statutory Inspections	Staff, visitors, pupils	Responsible person has carried out checks on your building in the following areas: Thorough examination, inspection, test and maintenance certificate and logs available and up-to-date for the premises, plant and equipment e.g. Local Exhaust Ventilation, Lifting Equipment and Pressure Systems.	E	Major	Possible	Medium	August 2020	11 th August 2020 – SW 041120 – SW 050121 – SW 170221 – SW 260421 - SW
Plant and Equipment	Staff, visitors, pupils	There is a planned preventative maintenance schedule and inventory available for key items of plant and equipment and are up-to-date. <i>In relation to statutory maintenance, Kaimhill School is fully compliant in all aspects of inspection and servicing in both statutory and non-statutory PPM's per the schedule of planned maintenance issued earlier in the year. The most recent monthly report (May) notes that all PPM have been completed and also shows those items that were overdue the previous month due to issues surrounding the COVID-19 outbreak and subsequent lockdown are now complete. This has been confirmed in writing to the HT by RFM.</i> All fixed guards on machinery in place, secure and well maintained. The safety devices and controls e.g. emergency stops, light guards etc been checked to ensure safe operation.	E	Major	Possible	Medium	August 2020	11 th August 2020 – SW 041120 – SW 050121 – SW 170221 – SW 260421 - SW
